THE RECREATION COMMITTEE

The Recreation Committee is pleased to announce the newly elected officers for the October 2017 - October 2018 term.

President: Maggie Cannizzaro; Vice President: Karolyn Zurn;
Secretary: Eileen Barnhart; Treasurer: Nancy Wheeler;
Member-at-Large: Sheryl McKeirnan

We begin our winter "hibernation" here at the Villages by:
Snoozing.....nope! Lounging.....nope! Getting ready for 2018.....Yep!

We begin by reviewing the room reservations for the 2018 calendar; Then, brainstorming ideas for new activities and entertainment. We meet together with the Drama Club on skits or Readers Theater for various events; and we are excited to be working on new beautification ideas for our courtyard; and of course, there are many other tasks to be addressed.

We have many new residents at the Villages this year.
We have met many of you but would like to get to know the rest of you as well.
Please plan on coming to our next meeting, Wednesday, Nov. 8th at 10:00 a.m. in the Card Room.

"TIPS ON CHOOSING SHRUBS AND TREES TO PLANT"

From the Architectural Committee

The Architectural Committee, as an *arm* of the HOA Board, is here to help you in developing and maintaining a beautiful home in a beautiful community. Our emphasis is on *helping you*. In this light, we would like to share some insights for fall and spring planting that may be useful for your consideration when deciding on a tree or shrub to plant in your yard, as follows:

1) Consider **size**: Will your plant, *when mature*, fit the size of your yard **without becoming too big**? For example, the beautiful *Raywood Ash* gets 80' tall x60' wide – most yards are *about* 30'x40+'. This tree looks great on the farm.

If it **becomes too big**, several problems may arise, such as roof damage, preventing enough sunshine for smaller plants, growing over the fence and creating problems for your neighbors. Also, if a tree becomes too large and old, branches may break off onto someone's house.

2) Consider **the mess your tree may create** each year. This will mean more work for both you *and* your neighbors. Tree leaves, of course, are part of tree life. But if your tree produces pods, large seeds, long-term flowering, etc., it becomes a nuisance on small lots that are close together, and the Architectural Committee may suggest that you consider an alternative tree (and, if they don't, your neighbors will likely wish they had).

3) Another factor that *must be considered* is your tree or shrub's **water consumption**. Some plants demand large amounts of water and will invade water and sewer lines, creating very expensive problems. *Other trees*, however, are considered "*drought hardy*" or "*drought resistant*" and are usually desirable in our area, due to our location being in a high, semi-desert.

Trees NOT accepted are; **Cottonwood, Willow, Maple, Arizona Cypress, Raywood Ash and Sycamore** (See "**Architectural Rules & Regulations**", p.8).

4) Finally, **check with resources** that might be able to help you. First, check your **CC&Rs** and the **Architectural Committee Rules & Regulations** in your Home Owner's Packet under "Landscaping". These will guide you so that you can present a positive "Request for Change" to the Architectural Committee. Then, **talk with the experts at area nurseries** (there are three of them in the Prescott and Prescott Valley area). Talk with *gardeners* who have worked here for many years about the kind of plants that grow well here and how to care for them. And, don't forget to use your **internet**. Internet search engines like "Google" (google.com), "ask Sam" (www.asksam.com), "Yahoo" (yahoo.com), etc. are loaded with helpful information.

Outdoor Christmas Decorating

If you enjoy outdoor decorating at Christmas time, we would love to have you join us this year. There was a small group last year that put up the "outdoor" decorations here at the Villages. It was cold but so much fun.

If you were here last year, you may remember we had some lovely decorations. This year we added a few new items. As well, we are having electricity run to the breezeway so we can create a bright, welcoming entrance to the courtyard.

We hope to put up the trees, lights, reindeer, etc. on Monday, November 27th around 1:00 pm, weather permitting.

Contact Nancy Wheeler, 928-458-0995, for information.

Homemade cookies and hot chocolate provided.

WELCOME NEW NEIGHBORS

There are many ways for you to learn about your new home.

A team of our Recreation Committee's volunteers will be coming around to the homes of our new owners and renters. They will have several gifts and information that we feel will make your stay here even better.

Since many of you are only here part-time and may not be home, Joyce Pinckney and Jean Rosenkranz will leave you an invitation to give them a call when you are here and it is convenient to present you with Your New Neighbor Packet.

We are sure that this will be helpful information.

There are many new residents in the Villages this year, so it is a good practice for everyone

to wear their Villages' name badges. This encourages all residents to 'greet and meet' when attending activities or events in the Villages.

We would like to say "thank you" for all the encouraging words, offers of help, cards and the many prayers during and after John's surgery. The recovery is a slow process, but knowing we have so much support is such a big help.
