RECREATION COMMITTEE

The 4th of July dinner and patriotic program were well received. We thank all of the volunteers who made this event possible and also those who attended, we appreciate your support.

The Recreation Committee will accept nominations for officers at the September meeting and will elect the following officers at the October meeting. Chairman, Vice Chairman, Secretary, Treasurer and Officer at Large. Please attend if you have someone you would like to nominate.

Our meetings are held the second Wednesday of each month in the card room at 10:00. If you have an event or activity you would like to propose for our consideration, please attend a meeting and present your suggestion.

There are many new residents in the Villages, so it is a good practice for everyone to wear their Villages' name badges. This encourages all residents to 'greet and meet' when attending activities or events in the Villages.

A-C* NEWS FOR YOU: TOOLS FOR GOOD NEIGHBORS

By Rick for the *Architectural Committee

Historically, some very deadly ranch wars in the west were fought over fence lines. But this was when the fences kept cattle from water. It is a common American belief that *since we own our property no one should be telling us what to do with it*. But, in fact, while we (the Architectural Committee) sincerely sympathize with that belief, the fact is that in order for there to be harmony and peace in any community, there are community, city, county, state, and sometimes even federal rules that we all must abide by. In short, in a community, *"no one is an island."*

Therefore, **how can we be a good neighbor, and to have good neighbors?** A good tool is a fence. There is an old saying that, "fences make good neighbors." If you and your neighbor like to go back and forth between your house and theirs, then gates are quite useful.

Should you decide to be neighborly, and put a fence along your property line, here are some regulations and suggestions:

- 1) We are now allowed to erect a fence that is no taller than 4 feet (CC&Rs regulation).
- 2) Chain Link is allowed in the back and sides of your yard.
- 3) Decorative fence is allowed in the front and along a street.
- 4) The fence must be set back onto your lot at least 6 inches from the property line, unless you get *written permission from your neighbor* to erect the fence *right on* the property line.
- 5) You may also attach your fence to a neighbor's fence, also *with their written permission*.
- 6) While Privacy Screens are allowed, Privacy Fences *are not* allowed because they are over 4 feet tall.
- 7) Your property line is set by a survey, and there should be a *survey pin* at each corner of you lot. *If you cannot locate your pins, it is highly recommended that you hire a surveyor to re-survey your lot.* Do check the "*Architectural Committee Rules and Regulations*" in your home-owner's packet for more details.

Also, your outside home improvement projects must be approved by the Architectural Committee. When approved you are given a yellow permit. When your project(s) are done, **please return the yellow permit, signed, to the office.** When these are not turned in, it causes extra work for the Committee (who are all volunteers).

Ladies...dressing up for the Afternoon Tea, i.e. gloves, hats, etc. is certainly an option, however it is not required. The same for the gentlemen (want to wear a suit or tie?) again it is not a requirement. The only criteria is for everyone to have a good time!

If you have a favorite cup and saucer, please bring them. If you don't, we have many available for you to use and to take home with you. Please purchase your tickets by 2:00 on Thursday, August 16th.

SAFETY ON WET ROADS

SAFE-DRIVING TIPS WHEN IT IS RAINING!

GOOD VISION IN A DOWNPOUR

This method to achieve good vision while driving, during a heavy downpour, was shared by a Police officer who had experienced and confirmed it. It is useful...even driving at night.

Most motorists will turn windshield wipers on 'HIGH' or on the 'FASTEST SPEED' during heavy downpour, yet the visibility in front of the windshield is still bad. In the event you face such a situation, just put on your 'SUNGLASSES'! Suddenly, your visibility in front of your windshield is perfectly clear, as if there is no rain.

You'll also see where the rain bounces off the road. Wearing sunglasses works to eliminate the 'blindness' from passing cars, or the 'kick up' if you are following a car in the rain. Amazingly, you'll still see the drops on the windshield, but not the sheet of rain falling. Make sure you always have a pair of SUNGLASSES in your car. Try it yourself and share the information with your friends!

NEVER, EVER, DRIVE IN THE RAIN WITH YOUR CRUISE CONTROL ON. If the cruise control is on, your car will, in fact, begin to hydro-plane. When the tires lose contact with the road, your car will automatically accelerate to a higher rate of speed, making you take off like an airplane.

A police officer suggested this warning should be listed on the driver's seat sun-visor:
NEVER USE THE CRUISE CONTROL WHEN THE ROAD IS WET OR ICY.'

PLEASE HELP OUR FURRY FRIENDS

Thank You Everyone, for ALL your most generous donations and support, it's greatly appreciated !!

In need as always, is Dog and Cat Food (wet or dry, but unopened, for safety reasons), and they love Treats, too!

Large and clean bath towels or Dog/Cat Bedding's, and perhaps a small/large Toy to play with, anything and everything listed here is to make 'Our Furry Friends' feel 'warm and secure', and less frightened, through their process.

You may leave any amount of donations here at any time of day, in my carport at Lot 87 in the Villages, by the door and not by the Garage (let's keep it in the shade, on these HOT days of Summer), and all proceeds will go to the Yavapai Humane Society, on Pioneer Lakes Parkway, in Prescott, AZ. Note: Any foods donated will stay cool in our house, until the day we transport EVERYTHING to the Humane Society.

As our 'Furry Friends' think and SO DO I,
you are just AWESOME !

**UPDATING E-MAIL ADDRESSES IN
THE VILLAGES' DIRECTORY**

Several years ago, a new page was added to the Villages' Owner Directory, listing E-mail addresses of residents who wished to share them with other residents.

To update this listing, to include those who would like to be in it, Barb Miles milesaz01@gmail.com has offered to assist Lupe Matz, the Community Coordinator, collect the information so we can enjoy the resource when purchasing a Directory. (This list has nothing to do with receiving the Crier Newsletter on line.)

If you would like to be included in this E-mail listing, please email Barb at the above email putting **"E-Mail update"** in the subject line. In the body of the email, put your last name, first name(s), then the email address and your lot number. Barb will give the collected information to Lupe.
Example: Miles, Barb milesaz01@gmail.com #431

**VILLAGES AT LYNX CREEK CRAFT CLUB PRESENTS
ANNUAL ARTS & CRAFTS SHOW
SATURDAY, SEPTEMBER 15, 2018 FROM 9AM-2PM**

The annual Craft Show is sold out again! We have dedicated vendors who return every year to be in our show and they say it is one of the best local shows. There is a waiting list for others who want to participate as they know that their handcrafted items will be seen by hundreds of visitors.

The Craft Club members have worked very hard to put on the Annual Arts & Crafts Shows over the last twelve years or so. Help is still needed on many of our committees. The success of these shows is because of the residents who contribute supplies, work on club projects, find quality items for the silent auction tables, make baked goods for the sale; and plan and support the show. It is also because of all the residents who attend the show and purchase items from the vendors, buy lunch and items from the bake sale and Silent Auction/Raffle tables.

What you may not know about the Village Crafters who do this each year is first of all, we are all members of the Villages at Lynx Creek Community. Everyone who lives here can be part of the Craft Club for free. Get involved. The Club contributes most of the club's profits from the Show to local charities needing a helping hand. Some of the charities supported over the many years are the Yavapai Food Bank, Clothe-a-Child, Dress a Child, Shop with a Cop, the Area Council on Aging and several more. What we are saying is we make a difference in our community!

Please continue to support the Club by doing these things: contribute fabric and supplies for projects, bake something for the bake sale and attend our show. Our club is open to all residents, so drop in to sew, quilt, crochet and do other crafts or just to get to know us. **We look forward to meeting you!**

SEE YOU AT THE SHOW AND THANKS FOR YOUR SUPPORT!

?BUYING OR SELLING REAL ESTATE?

Greetings. My name is **John Black**, and I live at **660 N. Mesquite Tree Dr, Lot 214.**

My wife and I are full time residents of The Villages, and we truly enjoy the lifestyle here.

I am also a **REALTOR®**, and proud to be associated with **Windermere Real Estate of Prescott Valley**. Windermere has been serving the Prescott and Prescott Valley area for **over 15 years**, and consistency ranks as one of the top brokerages in terms in marketing, internet presence, and **average sales price per transaction**.

We also publish monthly market statistics on **www.WindermereMarketReport.com**

I am very knowledgeable of the market trends and sales here in The Villages.

I have sold 40 homes in The Villages alone!

I would be more than happy to review your current Real Estate situation, whether you are thinking of buying or selling.

Being a resident of the Villages, I can easily show your property almost 365 days a year to any prospective buyer and **with in-depth knowledge of our wonderful community**, I can **speak from experience** on our community and what it is like to live here.

If I can help you, **please stop by to say hello**, have a cup of coffee, or give me a call at **602-826-1362**.
