RECREATION COMMITTEE

Happy New Year to all and a big "thank you and well done" to everyone involved with the Holiday Jamboree & Variety Show. So enjoyed by all and truly amazing!

The Recreation Committee meets the second Wednesday of each month at 10:00 in the Card Room. Please think about attending on January 10th and learn what events and activities are being considered for the coming months. It is also a great way to become a volunteer, get involved and meet other Village residents. Volunteers are so important, without them we would not be able to successfully have dinners, enjoy entertainers and all other events held. One example of this is the dinner on January 20th, come and enjoy the meal and the entertainment.

Also a big thanks to the Clubs for decorating a Christmas tree and to the Decorating Committee for decorating the Social Hall year round and a Christmas tree. Appreciate all of you! It has been suggested when the trees are taken down that the Clubs store their decorations in a separate marked box and each will be stored in the Social Hall for the coming year.

Note: All clubs, activities or scheduled events must be presented to and approved by the Recreation Committee who will schedule those events. (Exception: Use of the Social Hall and other facilities, for Owner-Sponsored or Private-Personal Events, will be presented to the Office Manager.)

NOTES FROM YOUR BOARD OF DIRECTORS

VERY IMPORTANT INFORMATION

The 2018 Budget was approved by the Board of Directors at the Villages' Home Owners Association Membership Meeting of Thursday, October 19, 2017.

Also, a 4% assessment increase (\$5.00) was approved by the Board, bringing the new monthly assessment to \$130.00 beginning with the month of January 2018.

If you have automatic payments, please notify your financial institution of the increase. Those set up on SurePay with FirstService do not need to take any action. The correct new amount will be automatically deducted beginning in January.

We wish all our Villages' residents a Happy Holiday Season.

The Recreation Committee's Special Program

After the holiday festivities don't feel down in the dumps. All Villages residents and owners are invited to a special program that is guaranteed to bring a smile to your face.

We introduce Vlad Petnicki

He will be visiting relatives in the Villages and has graciously agreed to perform for us, with all proceeds going to a local Veterans charity!

Vlad is a California based Air Force Veteran and former JAG officer who has long had a "heart" for the Veterans of this country. He began his singing career for the sole purpose of honoring them by performing USO-type shows at venues such as the Yountville California Veterans Home, Veteran Hospitals and charities.

He has performed at public festivals, conventions and recently performed two concerts in Europe on the Croatian resort island of Losinj on the Adriatic Sea. Wherever he travels, he delights in entertaining people, putting smiles on their faces and getting their "toes a-tapping"!

His shows are classified as American Classic Entertainment with a 1940's flavor.

Please welcome Vlad to the Villages

BLOCK WATCH

“Creating Safer Neighborhoods One Block at a Time”

BASIC FIRE EVACUATION PROCEDURES

In the event of a wildfire in Yavapai County it may be necessary to evacuate residential areas to ensure the public's safety and facilitate access to the threatened areas by emergency responders.

The evacuation process is the responsibility of law enforcement which includes the Yavapai County Sheriff Office (YCSO), Prescott Valley PD (PVPD), and other law enforcement agencies, assisted by volunteers such as Yavapai County Jeep Posse (YCJP) and Yavapai County Search and Rescue (YCSRT) units.

Evacuations warnings and instructions are broadcast by every means possible including using public address systems, loud speakers, door to door notification, fire vehicles, radio television and National Weather Service radio.

EVACUATION NOTICE IS NOT THE RESPONSIBILITY OF THE HOA BOARD OR OFFICE PERSONNEL. THEY WILL RECEIVE EVACUATION NOTICES AT THE SAME TIME AS ALL OF THE VILLAGES RESIDENTS.

At that time, as a courtesy, the office can send a Robo-call to the residents informing them of the information they received.

It is recommended you register all of your phones with YCSO Code Red program at www.ycsoaz.gov/ and <https://local.nixles.com/register> which allows you to receive alerts and notices from the Yavapai County SO and the Prescott Valley PD as well as other local agencies. Look for more evacuation process details in future Crier articles.

A-C* NEWS FOR YOU: OUR SIDE LOTS & PROJECT PERMITS

Hi Folks, the ***Architectural Committee** wishes you all a **Happy New Year!** You know, one of the things that make our year happy, is having a home that we are proud of, that is neat and attractive. It just makes us feel good about living here.

Sometimes, though, we forget that putting storage (like wood scraps, panels, yard tools, etc.) in the area beside the house - or even leaving it in the back yard – is unattractive, and makes neighbors unhappy. By having rules (set forth in the CC&Rs) we are urged to remember that we want to be happy and to have happy neighbors (they are the kind that are easy to get along with). Remember, *your neighbors see the outside of your house a lot more than you do!*

So, as a reminder, **the areas on both sides of your lot** (within 3-feet from the lot line) are to be kept clear of storage items, trees, tall bushes and the like (short flowers and shrubs are ok). To ignore this is to not only create unhappy neighbors, but will also create an HOA fine, should a neighbor complain. **Consider** that if you have tall shrubs or trees next to your house, and your house caught fire, the fire could very easily spread to your neighbor's house (or, visa versa). There is only about 6-feet between our houses, and tall bushes and trees take up most of that space. There were a couple of cases in the Phoenix area recently where a house fire spread to the neighbors' houses. In one of these cases there were 3 houses burned and one damaged. Well, we don't want any fires! Prevention works; and, makes things look neat and attractive, too.

PLEASE NOTE: If you have recently completed a project on the outside of your house or yard, and have received a **yellow permit** from the Architectural Committee for that project, as soon as the project is finished, please turn the permit back in at the Office. This is important, and if you fail to do so, we will be calling you to request that you turn it in. **Your cooperation is greatly appreciated.** The Committee is comprised of volunteers, and calling on projects that have passed their due date to get the status on the project takes time. Lately it has been taking several hours of phone time each month! Thank you for paying attention to this matter.

Your Friends,

Your Architectural Committee
