RECREATION COMMITTEE

Our thanks to the Clubs: Bingo, Computer Club, Crafters, Dog Park, Drama Club & Woodshop for the beautiful Christmas trees they decorated. Also thanks to the volunteers who decorated the large tree in the Social Hall and also the outdoor lighting. Job well done all! Many thanks to everyone who donated to the Marines Toys for Tots, several children will enjoy your generosity. The Recreation Committee would also like to thank Bingo for their contribution.

We hope you enjoyed the New Year's Eve Celebration; thanks to all the volunteers who worked so hard to make this a big success!

You are invited to attend the Recreation Committee meetings on the 2nd Wednesday of each month at 10:00 in the Card Room. If you are not receiving the Weekly Reminder by e-mail and wish to get it, the office will add your name.

ATTENTION RESIDENTS

When purchasing tickets for Villages' dinners or entertainment events, it would be appreciated if you would pay with the exact amount of cash and/or change.

Checks will also be accepted, for individual events.
Thank you.

There are many new residents in the Villages, so it is a good practice for everyone to wear their Villages' name badges.

This encourages all residents to 'greet and meet' when attending activities or events in the Villages.

NOTES FROM YOUR MANAGER

As discussed at the HOA meeting in January we are putting emphasis and focus this month on CC&R3.5.1, which states as follows:

"Items placed on or stored under any RV, Park Model, or M/M occupying a lot shall not be visible. Occupants must keep their Lot and the RV, Park Model, or M/M in a clean and orderly condition and in a good state of repair. No personal property may remain where it can be seen by others in the area, except for tables, benches, chairs and grills."

Please check around your property and pick up or store items, other than those indicated in CC&R 3.5.1, and allowed items such as flags, small decorative items, and approved signs and flags, out of sight. As the Villages properties are inspected this month the emphasis and focus will be put on properties violating this rule. Properties not complying with this requirement by the February HOA meeting are subject to receiving a warning, followed by a formal VIOLATION and possible FINE for non-compliance.

Management, your HOA Board, and your friends and neighbors will appreciate your efforts to comply.

Thank you, Patty Harmon, Manager

WHEREAS, the Board of Directors of The Villages at Lynx Creek Owner's Association (hereinafter the "Association"), for the health, safety and welfare of all members of the Association, wishes to expand on the expectations of Members and their guest (if any) conduct as defined in Rules and Regulations dated March 17, 2011, Page 4, Rule 15. Further, it is expected Members will comply with this guideline always while attending Association Meetings (HOA, etc.), while in the Villages' Office conducting business, and at all other times while on HOA common property.

NOW THEREFORE, be it resolved that the Board of Directors hereby approves this expansion of the definition of Rules of Conduct for Members and guests as previously defined and shall be effective immediately upon approval of the Board of Directors.

All Members (including Board members) while in attendance at any Association meeting, while conducting personal business in The Villages' office, or while on Association common property, shall:

- Conduct themselves in a dignified, reserved, courteous and proper manner.
- Wait to be formally recognized by the Chairperson of the meeting if the Member wishes to speak at the meeting. The Chairperson shall determine who has the floor to speak and may impose reasonable time limitations pursuant to state statute.
- Members shall act, speak and communicate in a calm and reasonable manner, in setting forth, elucidating or underscoring any points to be made, or in resolving any issues under discussion or consideration in any meeting, the office, or in discussion on HOA property.
- Refrain from exhibiting anger or hostility and from directing verbal or written abuse (e.g. verbal or written language that can reasonably be prejudicial, condescending, aggressive, belittling, or impolite) against anyone. There shall be no physical contact or verbal harassment.
- Refrain from making accusations that are needlessly inflammatory against anyone.

Any Member who violates these rules of behavior may be asked to leave and/or be escorted from a meeting, from the Villages business office, or from HOA common property (by Association personnel or personnel from a security company so employed by the Association). The Board shall also have the right to levy a fine against such Member for their conduct pursuant to the governing documents and A.R.S. §33-1803. Should the Member in a meeting be asked to leave and refuses, the Board may adjourn the meeting. In Addition, law enforcement personnel may be contacted should any Director, FSR staff member, or any Association Member deem such action necessary. Should the Association accrue expenses based upon a Member's conduct, the Association shall assess that expense back to the Member(s) as permitted by applicable Arizona law and/or the governing documents.

DULY APPROVED and passed by the Board of Directors at a meeting held on 17th day of Jan., 2019

A-C* NEWS FOR YOU: "Planning A Beautiful Neighborhood"

Wow! Spring is already just around the corner! This means good weather for outdoor projects like landscaping, home repairs, and making improvements to our homes and lots. And, everyone benefits from these projects as we will enjoy the improvements we've made, and the neighbors will also as they look out their windows. These projects also show community pride and improve our property values.

As a reminder, as you plan your home improvement projects on the *outside of your homes* here; don't forget to submit a **"Request For Change"** to the ***Architectural Committee (A-C)**, available at the Villages' office. **We will be glad to help you so that your plans are fulfilled and yet comply with the CC&Rs.** You may also need to get a **city permit** from the Town of Prescott Valley for some construction projects.

Don't' forget to consider the restrictions in the **legal setbacks** from property lines, and **easements** – check your copy of the *"Architectural Committee Rules"* and the CC&Rs. Also, your structures (house, carport/garage, patio/deck and porch covers) may have a **total roof coverage of no more than 50% of your lot's square footage (you can measure the footprint of your buildings to figure the square footage of your structures).**

Also, your **yellow Villages Permit, which is issued at our meetings in the Card Room (see last paragraph), must be mounted** where it can be seen from the street during the time you are doing your project(s). When finished, please sign and RETURN the **yellow Villages Permit** to the office.

The A-C meets **every 1st & 3rd Wednesdays at 9:00 a.m.** in the Card Room. You are also welcome to come and ask questions or to just observe.

Your friends and neighbors,,

Your Architectural Committee

"Committed to Serving Our Home-Owners"

IMPORTANT - ALL RESIDENTS

In the event of emergencies, such as water line breaks, utility problems, community street closures, etc., a 'ROBO-CALL' will be made to your phone number to notify you of such events.

Please make sure your current phone number is on file at the Villages' Office so you will receive ROBO-CALL information promptly.

BLOCK WATCH

“CREATING SAFER NEIGHBORHOODS ONE BLOCK AT A TIME”

I will be re-addressing emergency preparedness and evacuation procedures over the next few months.

Each year over 1,500 wildfires occur statewide and we never know when and where the next big fire might occur. That was evident during the 2017 Goodwin fire which was very close to home. Most of the community was not prepared to evacuate and did not know who determines what communities need to evacuate and how we would be informed. DO NOT put off being prepared. This article will briefly cover making a Family Communication Plan that describes what to do, where to go and how to inform family of your welfare and whereabouts.

BEFORE you plan

Pick two Emergency meeting places where family and friends can meet. One near your home and one outside your neighbor

Ask a friend or relative outside of your immediate area, preferably out of state, to be your family Out-of-town contact.

Know your community or place of work evacuation and emergency plan.

AFTER you plan

Make copies. Encourage family to keep a copy of the plan everywhere they may be located if an emergency arises. Save an electronic version to their mobile phone.

Teach everyone how to send and reply to group text messages. It may be easier to text, tweet or post to Facebook than to make a phone call after a disaster.

Sign up to receive emergency notifications to all of your landline and mobile phones. www.ycsoaz.gov (Sheriff Office) and <https://local.nixle.com/register> (PVPD).

In following articles, emergency preparedness and evacuation notification procedures and instructions will be addressed. An Emergency Responder Outreach event at the Villages is scheduled for Saturday, June 15, 2019, where you can obtain any and all emergency preparedness information from representatives of the organizations responsible for emergency operations.

Please contact me if you would like any information about emergency preparedness and evacuation procedures.
