New In This Issue:

As things begin to return to something that we will refer to as normal, the front page will be reserved for the things and events that are returning! It's been a long wait and I'm sure we all miss the activities.

I have been busy updating software and now hardware to keep The Crier fresh and interesting.

My apologies, but there is no adventures to report this month. Not to worry, the wife and I are itching to get back out to the middle of nowhere!

Now, the things that I hope will make The Crier a bit more fun! Look for the new Classifieds Section, Letters-to-the-Editor and The BackPage, where you will find some puzzles and games.

As always, I look forward to your feedback. Email any questions and/or comments to villagecrier@cablone.net - you may end up in the next issue!

Letters To The Editor

Hi Chris,
Thank you for your volunteering and for taking the time to make a nice product for this part of the world. Here are a few ideas that might help you get some sparks flying around the Crier:

Spotlight on Executives on the Board

Ask if they would be willing to give a little of their background so people can get comfortable since there is talk of hiring an outside firm. I feel that personalizing it a bit might help people understand that the reason we are self-managed is to save money and those who step up should be given the support they need to get the job done. We really don't need, want, or deserve to suffer an outside board.

We need contact information and the correct ways to reach Recreation Committee (Diane Ponter) and Architecture Committee (Bill Johnson) for interface and questions and maybe having the frequently asked question put up on the web site so that the same people don't have to answer the same question 500 times.

Tim H.

Excellent ideas! Thanks for the input, Tim.

Dear editor Chris.
Looking forward to the "real" new Crier. Please remember, many of us have problems seeing SMALL PRINT, so PLEASE do NOT use print that needs a magnifying glass!!

Thanks for your time.
Al B.

I will do all I can to keep the micro-print out of the Crier. Can't control the advertisers, however! Thanks for the input, Al.

FYI...

This will not become a place to complain about the park, the board or another resident. Only letters that are appropriate will be considered for inclusion. The letter may be shortened or edited.

RECREATION COMMITTEE NEWS

- **Diane Ponter** is going to be able to continue as President of the Rec Committee and also be a Board member.
- **Joyce Pinckney** will be the Secretary until someone comes forward who would like the job.
- The room reservations under the COVID rules are available in the office. The Social Hall has been used under the new rules by the Board for both their Workshop and the monthly HOA meeting.
- Drama Club is able to use the room for their rehearsals. Newcomers' meetings have been both in the Social Hall and this month in the Activity Room. The Craft Club has been able to set up several activities in the Activity Room.
- 45 residents signed up for the Valentine TAKE OUT dinner, but that is a good start. The next meal will be an Easter Luncheon complete with a decorated Easter Egg.
- **Eileen Barnhart** has received Board approval for getting CHAIR YOGA started again - see page one. If you have an activity you want to bring back, pick up a room reservation in the office and see if the BOD will authorize it. Masks and the social distancing are required.
- The next meeting of the Recreation Committee will be Wednesday, March 10th in the Social Hall at 10 AM. Remember YOU are a member, so please come and bring your ideas for activities with you.

Villages Spring Scavenger Hunt!

- Sunday March 14
- 1pm start time
- Pick up clue sheet
- 1 hour to search and find what you can!

*Golf Carts, Cars, Bikes,
Walkers all allowed*

Village Kitchen is Open for Take-Out Events Including Easter Lunch

The Recreation Committee is planning an Easter Take-Out Lunch on
April 4th.

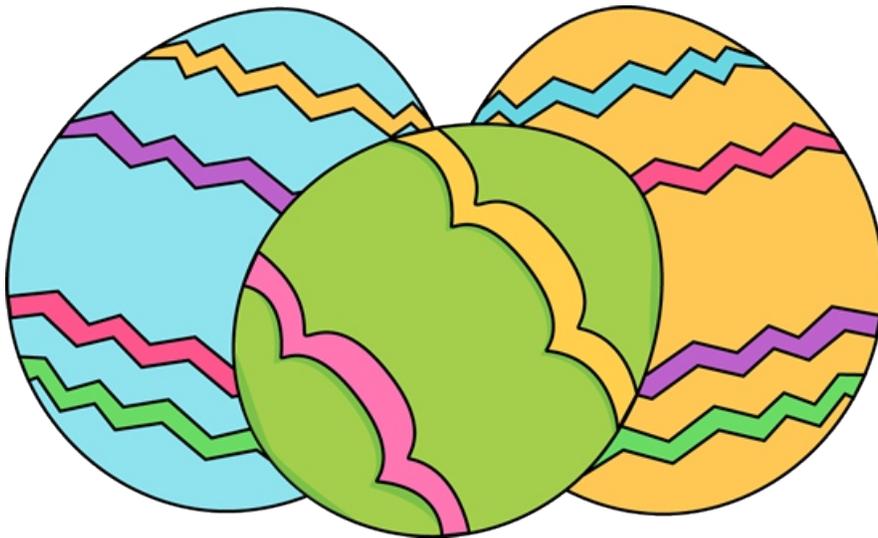

**The menu will be: Ham, Roll, Marinated-Pasta-Vegetable Salad,
Easter Egg, and Gelatin Dessert for \$7.**

We will follow the same protocol as Valentine's Day dinner using the
Office drop box, with an envelope including guest information and
cash.

Pick up your envelope in the old Crier Box near the Office. Guests
may select take-out or delivery between 11:45 AM and 12:15 PM in
ten-minute intervals. Pick up orders will be taken out to your car near
the Office entrance. Place your order by Thursday, April 1 at 2 PM.

Some of the residents have inquired about the Village Kitchen and Covid-19 virus
protection. Stephanie Mahoney has passed the Kitchen Manager's Test, a
Yavapai County Health Department requirement for all licensed kitchens.

Stephanie says, "Many food-borne illnesses are caused from poor kitchen
procedures, so if we follow Time and Temperature, handwashing, and sanitation
procedures we should prevent the spread of bacteria, viruses, fungi, parasites,
and toxins. Due to the Corona Virus Outbreak, we are also recording the
volunteer's temperatures, wearing a mask, hairnet/ hat, and trying to social
distance in the work space." The CDC stated on Dec 31, 2020, "Currently, there
is no evidence to suggest that handling food or consuming food is associated
with COVID-19."

Notes from the Board

We are glad that so many residents have received their first/second doses of the covid vaccine. As the vaccine supply increases and appointments become available, many more will probably be vaccinated. Certainly we are all looking forward to the time when The Villages can resume its full schedule of activities and events. The board is doing its best to keep the lines of communication open to residents through email blasts, robocalls, and open meetings that all can attend in person or via Zoom. We also encourage residents to give their input back to us by phone call or email. We are here for you.

There is a wealth of information about The Villages on our website: www.villagesatlynxcreek.com

The Villages history section under the tab “About Us” is especially interesting. Mike Smith does a great job with keeping this site current. Thanks for all you do, Mike. The Zoom format for Board workshops and meetings has improved significantly. We urge you to attend via Zoom if you are not able to be there in person.

ARCHITECTURAL COMMITTEE NEWS

“New Year – New Beginning!”

By Rick for the Architectural Committee

“What’s the Difference Between A Setback and an Easement?”

All of our lots in the Villages have “setbacks” and “easements”. We often get asked what the difference is between them. Here’s how it works: there is space between the side of your house and your side lot line, that is a Setback. And, there is space between the back of your house and the back lot line. That is where the Public Utility Easement is located.

- 1) “Setbacks” are specific areas of your property that are designated by the Town of Prescott Valley where nothing should be there that would impede emergency traffic in that space. Small plants are ok there, but the emergency personnel want a means to get around the outside of your house when it might become necessary to do so. Also, this allows for a total of 6 feet for a fire-break between houses. So, there is a 3-foot setback along each side lot-line. That is, 3 feet from the side lot-line toward the center of the lot. Also, there is a 5-foot setback in the front of Park Model and RV lots; and, a 10-foot setback in the front of doublewide homes.
- 2) “Easements” on the other hand (also known as Public Utility Easements, or PUEs), are locations on your property where utilities cross your lot – usually underground. Here in the Villages, most easements cross the back of our lots. In Park Model and R V lots, there is usually a 7.5 foot easement. In doublewide home lots there are mostly 10-foot easements (some have a 20-foot easement) across the back of the lot. Measure 7.5 feet, or 10 feet, from the back lot-line towards the front of your property: That is the easement (PUE). Because the water and sewer lines and some other utility lines are in the “easement” (PUE), a permanent structure of any kind over the PUE is prohibited with no exceptions. This is because any repairs that are needed to those utilities require digging up the broken lines. Any structure that is in the way will be moved at the property owner’s expense. Also, it’s NOT a good idea to plant trees in the Easement or in the 3-foot setbacks on the side yards. The *Architectural Committee (A-C) will be glad to assist you in determining where your “easement” and “setback” is located and also what is permanent and what is temporary. **ADDITIONAL NOTE:** We are accepting applications to fill the position of Intern on the Architectural Committee. This committee is manned by all volunteers. If you are interested, pick up an application at the front office. Both men and women may apply. You are also encouraged to visit our scheduled meetings (1st & 3rd Wed.s, @ 9 A.M.) to observe what we do.

**GAME WITH A FUNNY NAME
PICKLEBALL**

Have you heard of it?
Were you wondering what it is?

If you would like to know more contact me, Laurie Koopman, we can meet you at the court, explain the game, give you beginning lessons, without any pressure. We can lend you a paddle, and you don't need a partner to play.

Get off the sofa, come out for some exercise and check out the largest growing sport with that funny name.

If we get enough interest we can set up game times for beginning players.

Waiting to hear from you,

BEGINNER & BRUSH-UP BRIDGE

Ever wonder what Bridge was all about?
Played Bridge years ago, but want a brush-
up to see if you want to play again?
Sign up for Beginner and Brush-up Bridge
lessons in the Card Room, and I'll arrange
time that works for both of us.
