MANAGER'S REPORT

Manager's Report

January 2023 – February 2023

Accomplishments:

FINANCE

I met with the Finance Committee to overview the financials.

I Created and received approval from the BOD for new Capitalization policy for the Policies and Procedures Manual

I have the financials ready for the CPA for Tax preparation

I met with the Executive Committee and the items discussed at the Executive committee have been added to this meeting agenda.

I held the Meet the Manager's meeting on Monday and the minutes have been sent via email to all residents. Please review the rules for compactor use

This compactor is only for the Villages at Lynx Creek Household trash bags, bagged leaves and minor landscape trimmings.

Prohibited items include but are not limited to any construction or remodel debris which includes but is not limited to building materials, packaging, rubble from remodeling and repair including sinks, cabinets, drywall, lumber, appliances, paint toilets. Also prohibited are unflattened boxes, furniture vehicle batteries, landscape debris over three feet in size or limbs that are larger than one to two inches. .

Also, there is a misconception that if the person behind you at the compactor is your neighbor and know to you or the person has a badge, it is permissible for you to leave the compactor door open for the next resident.

Harry James goes to the dump on a regular basis and only asks you to contribute for the dump costs.

MAINTENANCE

For those of you who took the time to respond to the Villages Residents Facebook page on Jeanine's post of some of the things that he and Joe have been doing in the cooler months, Rich stated that anytime a resident wants to come down and look at what they are doing, he has an open book attitude.

The following is just a few projects that are on Rich's maintenance list thru April:

8-foot light poles and 20 feet. They are in the process of repairing or replacing lighting. Many of the poles have photo sensitive cells that need to be replaced.

Rich will spread red rock outside the social hall.

Gail and Rich are formulating a plan to trim more trees in the dog park.

Rich will be painting the planters inside the pool area and outside of the office.

Street signs and stop signs will be painted as needed.

Number signs on the south storage lot will be placed.

In March he will be draining the pool, cleaning and refilling it

OFFICE

Mary has taken over the responsibility for producing and recording the Weekly Reminder

The office is cleaning out homeowner files of previous owners who have been gone for at least three years and shredding the information

Jeanine is cross training with Gail on the accounting system.

Jeanine has revamped the RV Storage Lot system

VILLAGES UPCOMING ROAD PROJECT

As has been discussed at numerous HOA Meetings, we will be doing a major road / crack fill repair project here at The Villages.

Highlighted in **YELLOW** on the map below, are the streets that will have all the asphalt removed and then repaved. This project is scheduled to begin on March 27 and will take approximately 2 to 3 weeks depending upon weather. Once information is given to us by the vendor on when each street will be done and what will be required of the residents, that information will be forwarded to you.

Highlighted in **GREEN** on the map below, are the streets that will be treated for crack fill. This will **NOT** be a treatment where the entire streets are sealed as in the past, only the cracks will be treated. This project will only take a couple of days and residents will be informed when their street will be done and how long they need to stay off the street.

A project such as this is one of the largest projects a community like ours can have in cost, coordination, and community support.

This is not a Board or Office project, but one that will require all of us to follow direction and be patient in order to achieve a successful outcome.

We thank you in advance for your consideration.

Did you ever stop to think of all the things a tree can be?
It can be a beautiful growing plant that gives pleasure many ways. Pretty to look at, fun for kids to climb, a great spot for a nap under its shade. But some trees are farmed and become lumber which can become all kinds of things if you come down to the wood shop and let your imagination go to work. Hope to see you there between 9 and 12 weekday mornings. Meeting new folks and having fun.

Donations Appreciated

When problems arise, assistance is just a phone call away and we may be able to help. Resources are available for seniors in the Villages at Lynx Creek.

Light housework, grocery shopping, mail pickup, yard work, laundry, meals and more.

The **Aluminum Can Trailer** that is next to the trash compactor has been placed there to dispose of aluminum cans. Harry James takes it off-site approximately once a month to empty. He has requested that you **place cans in a trash bag** before you put in trailer. **Please try to put individual cans in bags as well.** If you can rinse the can, also that would really help. The QuailWood Golf Course also adds to the cans that Harry picks up.

Thanks to Harry and Quailwood Golf Course !

Proceeds go the Recreation Committee for Future Activities

Dog Owners!

Be a responsible pet owner and a good neighbor and pick up after your dog!

K9 Corner News

The Dog Park officers met recently and have some requests for those Villagers who support the K9 Korner.

First, to cut back on buying so many poop bags, please donate plastic grocery bags (which can be used for poop bags). These can be put in the chest by the storage shed.

Second, a \$10 per dog donation would be appreciated to help pay for supplies, such as paint, poop bags, tennis balls, etc. This could be cash or a check to the K9 Korner in an envelope with the owner's name brought to the office.

Third, Rich Mann is installing a new display case in the Dog Park for dog photos. We have saved the previous photos but would prefer to have more recent photos including those with the owner(s), if possible. Please email your pictures with owner(s) and dog(s) names to Jan Edwards at jansirena@frontier.com.

Please donate food for cats and dogs. Toys, treats.

THANK YOU FOR VOTING US #1!

Ocean Blue Car Wash is one of the premier car wash and auto appearance centers in Arizona, offering you more choices and flexibility in your car care appearance and needs.

Established in 2004, Ocean Blue's express locations offer a 3 minute Express Exterior with Free Vacuums.

Ocean Blue Car Wash uses the exclusive Wave Wash process, which incorporates technologically advanced, closed cell materials such as Neoglide and MicroClean. These Micro Fiber soft cloth materials do not hold water, dirt or grit and thereby cannot damage your car's finish like other older systems. Both Neoglide and MicroClean fabrics are designed to be extremely gentle on today's soft, clear-coat cars. This, combined with a generous amount of rich, lubricating soaps, completely eliminate concerns about pulling and tugging on your car's exterior parts. The wash process has been proven to lengthen the life span of the finish of your car, thereby enhancing resale value.

Our Value Pricing and Speed of Service (3 Minute Exterior Express with Free Vacuums) can't be done at home, by a charity function, or at a gas station car wash.

All our services are performed by a staff of highly trained personnel who care about you, the customer.

The Ultimate Car Wash Experience!
