MANAGER'S REPORT

The maintenance staff has been busy and completed 21 work orders. The mail pedestals are scheduled (unless we have an emergency like a water break) for the end of October and in November. Rich is working on two places where the asphalt is cracking, and Joe is working on our 8 foot and 20-foot lights. The dog park will be closed in the first two weeks in November and the common area grass area will be thatched at the same time.

Due to a covid breakout in the Villages we had to close the office to visitors for about a week but that seems to be waning, thank Goodness.

The office has been busy reviewing new software that would incorporate the assessment billing, the utility billing, and the accounting program. We haven't found a great solution yet but are still trying.

The Board has created prospective changes to the Bylaws to comply with State Statutes which were handed out at the Manager's Meeting in October and are available in the office and will be sent via PAYHoa in the middle of October.

We had two openings in the office; Office Coordinator and Community Coordinator and they have both been filled.

RECREATION COMMITTEE NEWS

Looks like fall is here. Hope everyone enjoyed the events in October, there were many to attend if you were able and well. I know it was another hard month for some and I wish you all well. But for those that could come out to the Ice Cream social and poker walk a good time was had by all. Maybe we can have a hot cocoa and cookie social and poker walk this fall.

Linda Nelson has had some great presentations the last few months like Coffee with a Cop. These presentations are very informative. Look for all she has coming up here in the Crier.

Lets give Joyce a Big Shout Out for putting on the last Meet and Greet of the year for all new residents and those of us that have been here for a short time and some that have been here for years, but may not know their neighbors.

Hope all had a great time dressing up or dressing down (but at least dressed) at the Fall Festival and enjoyed the music of KC and the Moonshine Band.

I'm sure the Dogs loved doing the Dog Costume Parade. Thank you to the Dog Park group for such a fun activity.

All Veterans are welcome, go and get your free meal ticket in the office. All other meal tickets are \$10.00 dollars no tickets at the door.

Veterans plaque installation will have been installed or will be installed before meal and program.

Bring a dish that will serve 6 to 8 people for EACH person in your party (many residents bring family and friends to this event).

The kitchen is preparing turkey breasts and gravy. Residents provide the side categories: POTATOES, STUFFING, VEGGIES, SALADS, DESSERTS, and OTHER. Many residents bring foods that are a family tradition. Also, bring your beverages, napkins, plates, silverware and serving utensils. Some residents like to preset their tables early in the morning using their table wares or to reserve a table with a touch of personal home decor.

December has a Christmas Day Potluck with ham provided by the HOA. Many of the residents invite friends and family, please sign up with your head count and change it if you have a modification in plans for both events, to ensure the kitchen has purchased enough food for these occasions.

The New Year's Eve committee has met and started planning for the dance. We have chosen the title of NYE123123 for the occasion. The NYE is for New Year's Eve and the 123123 stands for the date, 12/31/23, which will never happen again in our lifetimes.

The band is Mischief which has performed and been enjoyed here before. Doreen Storz was fortunate to be able to hire them because, New Year's Eve is the most popular time for celebrations. Because of it being a prime time, their price is \$1,000 which would require 100 participants at \$10 each just to cover the fee. The committee has decided we must raise the price to \$15 each. However, we have also decided a great trade-off is that we will furnish appetizers (hors d'oeuvres) for the dance, so all you'll need to bring are your beverages of choice and desserts if you want. Water and ice will be available of course.

Tickets will be sold in the office Mondays and Fridays, December 11th through December 29th and at the door. Doors open at 6:30 and the dance is from 7:00 to 10:00. The colors for decorations are silver, black and red. There will be a photo backdrop and props for pictures, 50/50 drawing, plus noisemakers and party headwear. The NYE committee hopes that you and your guests will join in this special celebration.

HELPFUL HINTS FROM "HANK AND HELOISE"

Hi everyone in the Villages,

Our Village was made about 40 years ago. Two lane roads here in the Village were more than adequate for the traffic at the time.

However, when someone parks on the street, the parked car is in one of the two driving lanes. The result is there is only one lane open to drive on.

The streets become one lane as Fed Ex, Amazon, and other delivery trucks are parking at homes to deliver products. And naturally, workmen are parked in front of the home they are working on.

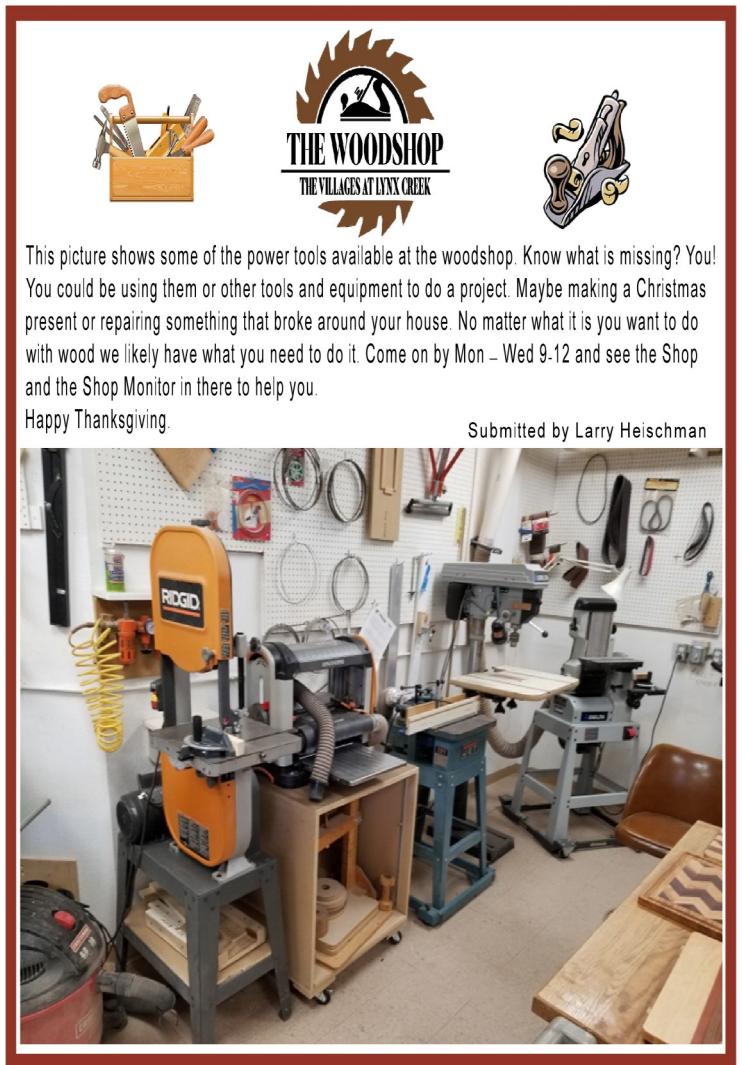

Residents walk in the streets because we have no sidewalks. The parked vehicles make it harder to see walkers. It gets a little hairy and dangerous.

The hint is to drive slowly. Slow driving is the key to safety. And of course, the biggest key to safety is not to park on the street if at all possible.

Here is a hint. If visiting a friend who lives near the complex, try to park at the complex and walk to the friend's house.

Leaving lanes open for fire, police, and medical vehicles to get through our Village makes this community a safe and fun place to live.

This picture shows some of the power tools available at the woodshop. Know what is missing? You! You could be using them or other tools and equipment to do a project. Maybe making a Christmas present or repairing something that broke around your house. No matter what it is you want to do with wood we likely have what you need to do it. Come on by Mon - Wed 9-12 and see the Shop and the Shop Monitor in there to help you.

Happy Thanksgiving

Our Library "continued"

In the September "Crier" the Rec. Com. provided some information about the Villages library. The thought was that if more folks knew what the library contained there would be more use and enjoyment. We also said magazines were kept in the Laundry Room.

On the plaque by the library door there is a list of items that could be donated and those that are contraband, like magazines! Please walk the magazines over to the laundry room door where the rack has 52 slots, or, if you prefer, drive to the back laundry room door that will open automatically by using your I.D. Keypad. CAUTION! Keep away from the door; it moves fast, believe me!

Pick a suitable slot, put your newish magazine (only) in front and remove one or so in the back. That way we all can keep the rack somewhat up to date. The rack has been recently purged.

ARE YOU THINKING . . .

. . . *about selling your Villages home?* Don't forget that the final sale must pass Escrow. That also means that the outside of your home and lot must be in compliance with the HOA's CC&Rs. The management of the Villages at Lynx Creek is *re-instating our free, informal, PRE-ESCROW checking service for you.* This is so you will have ample opportunity to correct anything that is out of compliance before the sale. *If you wish to take advantage of this service,* please fill out a "Pre-Escrow Check" form at the Villages' office. You will be contacted shortly to set up an appointment (the checking will take approximately 10-30+ minutes). *Submitted by Rick & May Merrell*
