A-C* NEWS FOR YOU: "SHADE COVERS & STORAGE SHEDS"

By Rick for the *Architectural Committee

When the heat of summer bears down on us, a good way to escape the heat is by putting up a *patio cover/awning* over a patio, or to build a *covered pergola*. Also, some folks are putting in *sheds for storage*. So, we'd like to share some information that will help you in designing these structures (size, kind of roof coverage, etc.).

According to **the Town of Prescott Valley**, we are only allowed to ***cover up to 50% of our lots with a solid roof***. This means that you figure the square footage of your lot (length X width), divide that sum in half, and you will know what percentage of your lot may legally be covered.

Then, measure the square footage of the "footprint," or base, of your existing buildings (house, shed, carport, awnings, etc.) and total them up. *If the total is less than half of your lot size*, then you *may have* some room to construct a **patio cover or shed**, etc.

If you have questions, please feel free to call anyone on the Architectural Committee. Check your CC&Rs and Architectural Committee Rules & Regulations for specifics on size, and detail on roof coverage. See CC&Rs, Sec.3.5.2, p.9 for sheds; A-C Committee Rules & Regulations, p.9 for lot coverage.

"**Lot coverage**" in this case **means any solid roof structure**. *As an option*, if you already have too much coverage, there are "**Shade/Sun Screens**" that shade about 90% of the sun, and can be stretched over a frame to cover a patio or pergola, and *they do not count* as "roof coverage." There is at least one in our Villages now.

Your Friends & Neighbors,

Your Architectural Committee

"Committed to Our Home-Owners' Service"

IMPORTANT - ALL RESIDENTS

In the event of emergencies, such as water line breaks, utility problems, community street closures, etc., a 'ROBO-CALL' will be made to your phone number to notify you of such events. Please make sure your current phone number is on file at the Villages' Office so you will receive ROBO-CALL information promptly.

BLOCK WATCH

“CREATING SAFER NEIGHBORHOODS ONE BLOCK AT A TIME”

SAFE DRIVING TIPS WHEN IT IS RAINING! GOOD VISION IN A DOWNPOUR.

We are in our monsoon season and should be prepared when and if the rains come.

This method to achieve good vision while driving during a heavy downpour was told by a Police officer who had experienced and confirmed it. It is useful...even driving at night.

Most of the motorists would turn wind shield wipers on 'HIGH' or on the 'FASTEST SPEED' during heavy downpour, yet the visibility in front of the windshield is still bad. In the event you face such a situation, just put on your 'SUN-GLASSES'!

All of a sudden, your visibility in front of your windshield is perfectly clear, as if there is no rain.

You will also see where the rain bounces off the road. Wearing sun-glasses works to eliminate the "blindness" from passing cars, or the "kick up" if you are following a car in the rain.

Try it yourself and share it with your friends! Amazingly, you will still see the drops on the windshield, but not the sheet of rain falling.

Make sure you always have a pair of SUN-GLASSES in your car.

NEVER - EVER 'DRIVE' IN THE RAIN WITH YOUR CRUISE CONTROL ON.

If the cruise control is on, your car will, in fact, begin to hydro-plane. When the tires lose contact with the road, your car will automatically accelerate to a higher rate of speed, making you take off like an airplane!

A police officer suggested this warning should be listed on the driver's seat sun-visor -
“NEVER USE THE CRUISE CONTROL WHEN THE ROAD IS WET OR ICY”

Please contact me if you would like any information about emergency preparedness and evacuation procedures. John DeBartolo, Villages' Block Watch Liaison, (928) 350-8577

CALLING ALL VILLAGES ARTISTS, CRAFTERS & BAKERS!

The annual Villages Craft Show & Bake Sale is scheduled for **Saturday, September 14**. An increasingly popular show, we expect a good attendance this year. Outside artists and crafters have just been invited and while spots will fill up fast, there are still tables available if you want to sell your hand crafted works.

Bakers at the Villages...we haven't forgotten about you and this year not only will we be selling your donated baked goods, we will be hosting a Bake Off. Stay tuned for more!

Proceeds benefit the Villages Craft Club and Local Charities.

Save those pop tabs!

The Ronald McDonald House in Tucson has 28 apartments that provide a home away from home for families who have traveled far to bring their children to a medical facility for treatment. It provides comfort and support to families with children facing serious illness or injury.

Please save your pop tabs.

For your convenience we have placed a collection jar in the Activity Room so please use the jar or if they are in a baggy, just leave alongside the jar.

The board of directors and staff, and families of the Ronald McDonald house in Tucson wish to thank all of the Villagers for your donations

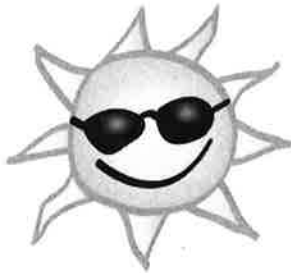

Thank you for your support. Roger and Sandy Horazuk, Lot 12

SAVE YOUR COUPONS TO SUPPORT OUR TROOPS

Here's a no-cost way to help the families of our military serving overseas: just save the coupons from your Sunday and Wednesday newspapers, and deposit them in the designated collection box located in the Activity Room. These coupons will be sent to a depot in Florida where they will be distributed to overseas military bases.

Even recently-expired coupons can be used at the commissaries where military families buy their groceries and non-food items. This helps them to offset the higher cost of living in a foreign country.

If you have any questions, please contact MaryAnn Schulte at 480-278-9339. Thank you very much.
