NEWCOMERS' MEETING NOT TO BE MISSED

Living in a community like the VILLAGES can be such a fulfilling and wonderful experience, but knowing all about the different amenities and rules make life so much more simple.

Do you have questions about what you can and can't do to your property under the C C & R's? Do you fully understand why you have two addresses? Are you aware of how you can know everything that is happening, if you don't live here full time? Would you like to know more about the activities and maybe even talk to the people who are in charge of them? Maybe you prefer not to be involved in the activities here, but you still need to know how to make your own conditions safe and comfortable.

PLEASE ATTEND our *final meeting* for 2019, in the Activity Room on Thursday, October 24th at 9:30 AM. Everyone is welcome whether you are an owner or a renter. If you cannot attend the meeting, you are more than welcome to call me or stop by and I'll be happy to go over all the information with you. Donuts will be provided for your enjoyment while you listen and learn.

Our goal is to make your time here in our VILLAGES the very best possible. Hope to see you there or just give me a call and I'll come to you. Joyce Pinckney, Lot #113, 702-239-2647.

There are many new residents in the Villages, so it is a good practice for everyone to wear their Villages' name badges.

This encourages all residents to 'greet and meet' when attending activities or events in the Villages.

2019 Villages Craft Show

The Craft Club reports that the Craft Show was a **huge success** this year in many ways. **BIG THANK YOU's to the many Villagers** who attended, participated or made purchases including the **38 volunteers** it took to make this year's show happen. Special thanks to the **3 judges**, Stephanie Mahoney, Joe Cannazzaro and Anne Marie Kryzak who helped with the **1st Villages Dessert Bake-Off** and **1st Vendor Best of Show** awards.

- **495 attendees**, *not counting vendors and volunteers*, were logged as entering. Compared to 275 last year, this was a big deal for our vendors.
- Of the 28 vendors, **15 were Villagers (that's over half!)** and 10 were new.
- Also new this year, a "**Best of Show**" award went to a new vendor, Lyn Phippen from Chino Valley for his great display of original western artwork.
- Nine desserts were entered in the **1st Villages Dessert Bake-Off**. Congratulations to all the winners.
 - #1) Diane Ponter for her Pumpkin Roll
 - #2) Maria Borden for her Italian Pizzelle Cookies
 - #3) Chris O'Brien for her Almond Bark Candy
- The **Bake Sale** sold out early this year and the goodies were varied and delicious. Thank you all for your generous donations!
- Also new this year was a beautiful **quilt made by members of the Craft Club** and won by Sharon Krafft from the Villages.
- There were 20 generous **Raffle items** donated by the vendors and won by various lucky attendees.
- For the **Silent Auction** this year, nine beautiful baskets were put together by the Craft Club from generous donations.
- And last but not least, **142 \$5 Chili lunches** sold out by 12:45PM!

Note that **next year marks 25 years** of Villages' Craft Shows and promises to be even better than this year! Save the date, **Saturday, September 19, 2020** as a great day to get your shopping done for the holidays..

In the near future, the Craft Club will determine which local charities will benefit from this year's proceeds. A big thank you from the Craft Club for your continued support!

A-C* NEWS FOR YOU: "Is There A Purpose For The Architectural Committee?"

*From Rick and the *Architectural Committee*

WHAT IS THE ARCHITECTURAL COMMITTEE?

What is the purpose of our Architectural Committee? Are we arbiters over neighbor squabbles? Are we "Cops"? Do we go around looking for properties that are out of compliance with the CC&Rs? The answer is "NO!" to all of the above.

However, since we live in a pretty close community, and what we do with our own lots can, and often do, have an impact on our neighbors' lots. Sometimes that impact is positive, and, yes, sometimes it is negative. Therefore, the Architectural Committee *helps to prevent* squabbles by helping home-owners to improve their properties as they wish, but in accordance with the CC&Rs. In this way we help to preserve or even improve the property values of our homes and community. We also try to promote safety by looking for possible dangers in the plans that our property owners want to do.

WHO ARE THE MEMBERS?

The members of the Architectural Committee are all volunteers and fellow home owners here in the Villages. This Committee is an arm of the Villages' Board of Directors. As such, the Chairman of the Committee is a member of the Board of Directors. Our members currently are: Garth Jones, *Chairman*; Bill Johnson, *Vice Chairman*; and then, Sylvia Cortez, Carl Shulak, Nancy Larson, and Rick Merrell; and, Rob Sheaffer as Intern.

WHAT IS THE PROCESS?

In order to make improvements on the outside of your property, **there are four steps** that you need to follow: **First** submit a *Request For Change* (RFC) which you can pick up at the Office, or print from The Villages' web page. **Second**, Fill out the RFC and turn it in at the Office. **Third**, attend the Architectural Committee meeting (on the 1st and 3rd Wednesdays of the month at 9:30 a.m., in the Card Room) where the Committee may discuss, for clarity, your project. Upon approval you will be given the Villages' Permit (on Yellow paper). You are given 4 months to complete your project. **Fourth**, upon completion of your project please sign the back of the Permit and turn it back in at the Office so the Committee can complete your lot's file.

Your Friends and Neighbors,

Your Architectural Committee

"Committed to Our Home-Owners' Service"

IMPORTANT - ALL RESIDENTS

In the event of emergencies, such as water line breaks, utility problems, community street closures, etc., a 'ROBO-CALL' will be made to your phone number to notify you of such events.

Please make sure your current phone number is on file at the Villages' Office so you will receive ROBO-CALL information promptly.

Save those pop tabs!

The Ronald McDonald House in Tucson has 28 apartments that provide a home away from home for families who have traveled far to bring their children to a medical facility for treatment. It provides comfort and support to families with children facing serious illness or injury.

Please save your pop tabs.

For your convenience we have placed a collection jar in the Activity Room so please use the jar or if they are in a baggy, just leave alongside the jar.

The board of directors and staff, and families of the Ronald McDonald house in Tucson wish to thank all of the Villagers for your donations

Thank you for your support. Roger and Sandy Horazuk, Lot 12

SAVE YOUR COUPONS TO SUPPORT OUR TROOPS

Here's a no-cost way to help the families of our military serving overseas: just save the coupons from your Sunday and Wednesday newspapers, and deposit them in the designated collection box located in the Activity Room. These coupons will be sent to a depot in Florida where they will be distributed to overseas military bases.

Even recently-expired coupons can be used at the commissaries where military families buy their groceries and non-food items. This helps them to offset the higher cost of living in a foreign country.

If you have any questions, please contact MaryAnn Schulte at 480-278-9339. Thank you very much.

The Food Bank Box is back in the office but the "Food Wranglers" have moved to Oregon!

If you could volunteer, to once a week, pick up and deliver donations, see Lupe. Unless you have a preferred food bank, deliver to St. Germaine's Catholic church at 7997 East Dana Dr. in Prescott Valley. There is a bin just inside the vestibule.

Thank you!

A REMINDER! REGARDING POOL EQUIPMENT

If you are using any of the pool equipment marked Villages, please return to its proper place. Several sets of water weights are missing. They are to be used and enjoyed at the pool by our residents. Thank you

OUR FURRY FRIENDS

I want to thank everyone for all the items, rugs, food, toys and treats. This means so much to the Yavapai Humane Society as it helps them buy food, medicine and everything they need. We will take any items as long as they are clean and put in plastic bags or boxed up. The Humane Society also has a donation center in Prescott, which is why they will take other items which they can sell and make money for the Humane Animal hospital.

Thank you, everyone, for always being so generous, these little guys are so worth it. It is nice to know that they receive so many wonderful things from the Villages. I tell them that every item comes from the Villages at Lynx Creek.

We have a lot of very generous people here in the Villages, thank you all very much for everything you do. Please leave your clean bagged items in my carport as I go to the Humane Society once a week although I cannot take very large items.

I am in Lot 87 and my number is 772-6165 if you need to call me or have any questions on items that the Humane Society will take .
