

Greetings Residents;

As some of you may already know, Jane Ballard has resigned from the Board of Directors.

We are sorry to see Jane go and she will be missed.

We all thank her for her service.

Moving forward, we are seeking a replacement board member from our community.

Good computer and organizational skills are very important. This position would last until Oct. 2022.

If you are interested and are willing to put in the time required to take on the challenges we face, please send an email to sbreyer@cableone.net.

Thank you,

Steve Breyer
