

Veterans Memorial Brick Project

Resident may still honor a veteran or active-duty service member by purchasing an engraved 4"x8" Memorial Brick to be placed in the Veteran's Memorial area.

The inscription may be up to **three lines, not to exceed 20 characters per line** (including punctuation and spaces). No insignia or graphics. Visit the area by the flag pole to see the installed bricks. Every Villages veteran deserves this honor.

Contact Charlie Davis (623-377-1833) with your information and inscription for the brick. When the next batch of bricks is ready to order, you will be contacted to verify the inscriptions, and to collect the \$35 per brick. You will be notified when the brick has been received and installed.
