

Veterans Wave The Flag Project

The Villages Veterans "**Wave The Flag**" project, to display American flags curbside around flag holidays, is progressing nicely! Signup sheets are in the office and the Activity Room, or contact Charlie Davis (623-377-1833) or Larry Howe (207-310-1968) with your name, phone and lot number(s). **All residents are encouraged to participate so all our streets can be lined with flags.**

For each flag, a small pvc pipe with a cap will be installed at **ground-level** along curbs and sidewalks. 1-2 days prior to a holiday, volunteers will insert a 12"x18" American flag into each pipe, and remove them after a holiday. (Flags will also be placed on Villages property at entrance signs, around Hummingbird Park and along Village Creek Blvd.)

Two flags on 100 lots would cost \$600. **While there is no charge, the office is collecting donations to offset costs, with over \$250 collected so far.** Thank you, residents, for your support of this project!!! Please make checks out to Linda Nelson who is collecting for the vets group.

If you would like to assist with installing pipes or with placing/removing flags, please contact the office.
