

Veterans Wave The Flag Project

The Villages Veterans "**Wave The Flag**" project is well underway! 133 lots have requested flags totaling 218, of which 123 have been installed. Up to 350 flags are projected for Veteran's Day, Nov. 11. Look in the Updates section of the website for the latest information. Signup in the office, the Activity Room, or call Charlie Davis (623-377-1833) or Larry Howe (207-310-1968) with your name, lot number, and number of flags. **All residents are encouraged to participate.**

A small pvc pipe and cap will be installed at **ground-level** along curbs and sidewalks. Volunteers will insert 12"x18" American flags for flag holidays and remove them afterward.

There is no charge. The office is still collecting donations to offset expenses. Please make checks out to Villages at Lynx Creek with Flag Project in the memo. Thank you, residents, for your generous support of this project!!!

Call Charlie or Larry to assist with installing pipes or with placing/removing flags.
