

HOA Board Weekly Update – 06/05/2020

Here are some highlights

- Ballots for the upcoming HOA election are pouring in. Ballots can be placed in the slot at the office any time. Thank you all for the timely responses.
- The staffing of the 3 positions in the office are now filled. We would like to welcome them to The Villages and let you know who they are. Georgette Wright has assumed the position of Community Manager. Her first day was Wednesday, June 3rd. Georgette is anxious to start meeting everyone and has enjoyed the process of assuming the tasks she will be performing. Next, we have hired Sheena Holmes for the position of Accounting Clerk. Sheena has been performing her duties for a few weeks now and has become a tremendous asset and has worked with Mary Tofflemire to assume all the financial responsibilities. Lastly, we welcome Haley Larson (Receptionist) to the team. Haley is working a few hours each morning until she completes her 2 week notice to her former employer. She is excited to assist all of us residents and to work with the team to ensure the daily activities continue to work smoothly. We wish we could introduce the team in a meeting format but will have to wait for the opportunity when the CDC relaxes the virus guidelines. The Board is excited about this team and we look forward to the opportunities in front of us all.
- Since the office team is now in place, the Board would again like to thank Ed Newman and Mary Tofflemire for the outstanding work they have done as they now step aside.
- The Board would like to thank all the residents for the patience they exhibited during the difficult task of paving the streets here in The Villages.
- Woodshop News – The woodshop group have elected a new President. Robert Boller has graciously agreed to assume the responsibilities. We thank him for volunteering and wish him all the best.
- Covid Virus – We will again remind you that there are not to be groups larger than 10 people. We also remind everyone that you use the facilities at your own risk. We all need to follow the CDC Guidelines for social distancing, wearing of masks, etc. Remember that you are required to wear a mask if you need to enter the office. We have had a few residents get offended by this requirement but admittance to the office will not be granted without a mask, period.
- RESPECT – We ask that all of us be professional, courteous, and respectful of the team in the office as you conduct business with them. Whether it be by phone or in person, bullying and/or foul language will not be tolerated. If anyone does not conduct themselves in a respectful manner, they will be refused service and asked to leave the office. We ask that you be patient with the team as they settle in and learn their new responsibilities.

Stay safe and healthy,

Respectfully submitted by your board.
