

Weekly Update from the HOA Board,

Date: 7/24/20

We would like to update you all on the events that have taken place this week.

- Your HOA statements are being mailed out today. A big “Thank You” goes out to Joyce Pinckney for volunteering to stuff the statement envelopes. Volunteers are our version of heroes.
- Your office staff would like to thank everyone for all the supportive comments they received this week. Everyone’s patience and understanding as to how difficult it is to have to operate under the confinement of the Corona Virus constraints is greatly appreciated.
- Doreen and Kelly have made huge strides this week and you will find the May financials attached to this email and Mike will have them posted on our website. Thank you, Doreen and Kelly for all of your efforts.
- Passing of a neighbor and friend. The Villages suffered a huge loss with the recent passing of Nicky Jenkins due to complications of the Virus. We would like to express our condolences to Nicky’s family. She was greatly loved here at The Villages.
- Covid19 update – We would like to inform everyone that we have our cleaning service doing a thorough deep clean and sanitizing of the facilities during our shutdown. The cleaning crew is doing a great job and are apprising of their progress. Dan has done a great job of draining the pool and spa and thoroughly cleaned and recharged the filtering system for a fresh start up. Your Board is currently planning our anticipated opening of the facilities. As of today, we have not heard of any new cases of the Virus and hope that everyone is fairing the best they can. Your Board is working on the plans for reopening if this status remains. The facilities will remain closed for the duration of the 14day quarantine period, 7/17 – 7/31.
- Information Packets – As promised, the information documents that we intend to include in the Packets is being gathered and organized to be ready to print and distribute once past the quarantine period.
- The Board is in the process of setting up procedures and instructions on how we will begin holding our Board meetings with the residents via “Zoom”, “Ring” or some other method. We appreciate your thoughts on this project and we’ll keep you posted.

We hope you stay safe and be sure to wear your masks and badges everywhere in the community please.

Respectfully,

Your HOA Board members
