

Weekly Update from the HOA Board,

Date: 9/25/2020

Here are a few highlights from the past week.

- **Volunteers – We would like to thank Joyce Pinckney and all of the volunteers that helped put on a great Newcomers Meeting after a long layoff. We are so happy to have all the new residents that have recently joined our wonderful community. Volunteers are the heart of what makes this community great. Volunteers are to be commended for their selfless dedication to help put on all the fun activities and events that we are blessed with here at The Villages. “That being said,” we always welcome residents to volunteer and help the various committees and clubs with their events and activities. Please check with the Recreation Committee and/or the office for numerous activities that are currently in need of volunteers. A form is available in the office to inform us what you may be interested in. We are sure you will find an area of interest that will suit you perfectly. Thanks again to all of you who help our community by volunteering.**
- **Fain Project committee – There is a signup sheet in the office for those of you that may be interested in helping with the Fain Project. The last to sign up is Thursday, October 1st so don’t miss out. We need residents to form a new committee and prepare us for future meetings with Fain Group and the City of Prescott Valley.**
- **Speed Limit – As you are all aware, the posted speed limit here in The Villages is 10 miles per hour. There are many residents who are not following this rule. Please slow down and obey the speed limit to help us all remain safe.**
- **Information Packets – We would like to thank all of you that took the time to fill out the forms and return them to the office. The feedback has been sent to all the Board members and Gigi. We are reviewing them and will attempt to give responses in our upcoming Weekly Updates.**

Wear your masks and badges everywhere in the community and protect yourselves and your neighbors. Stay safe.

Respectfully,

Your HOA Board members and Office Staff
