

WEEKLY HOA UPDATE

October 27, 2020

On Friday, October 16, the results of a special election were announced: Jane Ballard, MaryAnn Schulte, Luci Salas, Steve Breyer, and Al Myers. An organizational meeting was then held to determine the officer positions with these results: President Steve Breyer, Vice President Al Myers, Secretary MaryAnn Schulte, Treasurer Luci Salas, Director-at-Large Jane Ballard. Al Myers volunteered to serve as board liaison to the Architectural Committee, and MaryAnn Schulte as board liaison to the Recreational Committee.

On Saturday, October 17, Steve announced the reopening of the dog park, tennis and pickleball courts, the pool area, and the laundry room to be effective the next day.

In addition, board members have been at work behind the scenes to determine the status of the office organization, and also office staff. Be advised that Kelley and Haley have submitted their resignations and are no longer in the office. We are actively seeking replacements. We are also preparing job descriptions for the office employees.

On Saturday, October 24, the board members met in Executive Session to discuss personnel matters.

We will continue to communicate our progress as the weeks go on.

Thank you all for your patience and your support during this transition period.

Respectfully submitted,

Your new board
